**Our Mission:** To advance mobility knowledge and solutions for the benefit of humanity.

**Our Vision:** SAE is the leader in connecting and educating mobility professionals to enable safe, clean, and accessible mobility solutions.

SAE International is a global association of more than 128,000 engineers and related technical experts in the aerospace, automotive and commercial-vehicle industries. Our core competencies are life-long learning and voluntary consensus standards development.

SAE International's charitable arm is the SAE Foundation, which supports many programs, including A World In Motion® and the Collegiate Design Series.
